We are excited about the beginning of a new academic year and about the opportunity to work with your child. This year, we look forward to challenging students to become problem solvers and critical thinkers who are competitive in a global society. We also anticipate working with you to cater to your child's individual academic and social needs. This year is set to be one of the best yet! We invite you to get involved and to contribute to our tradition of excellence!

**Let us know how we can assist you.
Our office number is (662) 332-4830.**
